ABOUT THE PROGRAM

Construction Engineering and Management Group (CEMG) of NED University of Engineering and Technology in collaboration with NED Alumni Association of Washington DC is pleased to organize a one-day international workshop on "Leadership Development for Engineers and Technical Managers". Engineering professionals as they grow up the ladder of responsibility are expected to not only be effective managers, but with the charismatic ability to build and lead high performance teams. The managers of engineering organizations of 21st century should possess a set of skills to not only inspire the project team to succeed but to perform in a win-win manner for all stakeholders. This interactive workshop through knowledge sharing and discussions endeavours to prepare you as a successful manager and leader for upcoming challenges on career ladder in a technical environment.

KEY TAKEAWAYS

- 1) 1.0 CPD for PEC registered Engineers.
- 2) 1.0 PDU for PMI registered Members.
- 3) Certificate of participation upon successful completion of the workshop.
- 4) Workshop remembrances inclusive of group photo, ready reference material and a bunch of CEMG giveaways.
- 5) Learning from knowledge and experience of foreign and local experts.
- 6) Skills for attaining, retaining and sustaining key positions in technical organizations.

LEARNING METHODOLOGIES

- 1) To facilitate optimum learning, a mix of teaching-learning methodologies will be employed to impart knowledge applicable in professional world.
- 2) Presentation will be carried out by foreign and local experts.
- 3) Handouts as take-home ready reference material.
- 4) Key concepts will be reinforced through sharing local and international experiences.
- 5) Discussions and Q & A sessions will be included to facilitate two way communications between speakers and participants.

WHO SHOULD ATTEND

Engineering leaders, technical managers, managers with different background working in technical firms, professional engineers, post-graduate students, young graduates, and senior level undergraduate students from various disciplines.

LEADERSHIP DEVELOPMENT

TESTIMONIAL

"A seminar is successful when it is well-organized, perfectly managed and especially when it has good speakers who can relate profession with experience. And for me, this seminar had all these flavors."

MEET YOUR EXPERT FACILITATOR

Professor Rizwan U. Farooqui Professor and Co-Chairman, Department of Civil Engineering, NED University

Professor Rizwan U. Farooqui has a Ph.D. degree in Construction Project Management from Florida International University, USA. He has over 16 years of research, teaching and construction industry experience in the USA, Pakistan, Singapore and Ethiopia. In addition to academic activities including curriculum developments at undergraduate and postgraduate levels, Professor Farooqui has remained actively involved in national and international funded research projects for construction industry improvement in the local and international scenario. He can be contacted via e-mail: rizulhak@neduet.edu.pk

Dr. Ghazanfer Bozai Senior Vice President and Regional Manager at HAKS Engineers

Dr. Ghazanfer Bozai is the Senior Vice President and Regional Manager of HAKS Engineers for the South Mid Atlantic region based in Virginia, US. He is also the CEO of Soft Skills Development Institute International (SSDII). Professor Bozai has held faculty positions at the University of Oklahoma, Colorado State University and University of North Carolina. He has delivered management and leadership development programs for various international organizations. He is a frequent keynote speaker at various ASCE and PMI events/conferences. He is a Civil Engineer with Ph.D. in (Engineering Management) from Auburn University. He can be contacted via e-mail: drbozai@gmail.com

Mr. Iqbal Hashmi Adjunct Faculty, Department of Civil Engineering, NED University

Mr. Iqbal Hashmi has professional exposure in the field of business management with over 25 years of consulting and teaching experience. He has experience of managing three different companies in a row in engineering and consumer sector for more than seventeen years as head of the organization. He is a Mechanical Engineer with an MBA in Marketing. Mr. Hashmi possesses high level expertise in the areas of strategy development, new business development, technical management, finance and marketing. He can be contacted via e-mail: hashmiiqbal@hotmail.com

LEARNING OBJECTIVES

1. To reflect on key managerial skills for career growth in technical organizations.
2. To understand the process of emergence of business leaders in a technical environment.
3. To identify the traits of successful engineers/managers/leaders.
4. To create self-awareness and take inventory of talents, needs and goals.
5. To discover the body of knowledge to enrich understanding of successful managers and leaders.
6. To identify building blocks for lifelong journey of professional development.

SPECIAL FEATURES

- 1) A blend of local and international experience on first-hand knowledge about management and leadership development for sustainable success in technical organizations.
- 2) An overview of action-oriented leadership in innovative and fast-paced culture.
- 3) Enlightenment through novel inputs on career development planning as technical managers and leaders.
- 4) Common forum for discussion on skill development for success in organizations moving towards marketing of innovative and leading-edge technologies.
- 5) Practical leadership guidelines for technical managers working in the field to deliver strategic business results.
- 6) Discussion and Q/A sessions for two-way interaction between speakers and the participants.

C 2 Upcoming Workshops

E 0 Computer Aided PM with Microsoft Project (2nd Quarter of 2016)

M 1 BIM for Sustainable Construction-Strategy and Hands-On Application (2nd Quarter of 2016)

PROGRAM SCHEDULE

11:00-11:30 Registration and Tea
11:30-11:35 Recitation from Holy Quran
11:35-11:40 Welcome Note and Workshop Overview
Prof. Rizwan U. Farooqui

SESSION 1:

11:40-13:00 Key Managerial Skills for Career Growth in Technical Organizations
Prof. Rizwan U. Farooqui
13:00-14:00 Group Photo and Lunch/ Prayer Break

SESSION 2:

14:00-15:15 Emergence of Business Leader in Technical Environment
Mr. Iqbal Hashmi
15:15-15:30 Q/A and Discussion
15:30-16:00 Networking Tea

SESSION 3:

16:00-17:00 Leadership in the Context of Engineering Organizations.
Dr. Ghazanfer Bozai
17:00-17:20 Prayer Break

SESSION 4:

17:20-18:20 Preparation for Leadership Challenges
Dr. Ghazanfer Bozai
18:20-18:50 Networking Tea and Prayer Break

SESSION 5:

18:50-19:40 Management & Leadership Development Plan
Dr. Ghazanfer Bozai
19:40-20:00 Q/A and Discussion
20:00 Adjourn

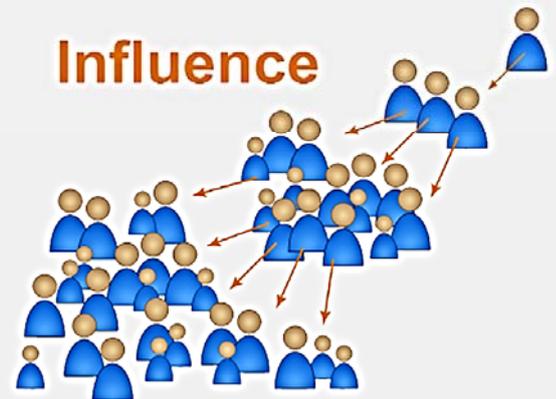

PARTICIPATING ORGANIZATIONS OF PREVIOUS CEMG EVENTS

M/s Civil Aviation Authority, M/s Pakistan State Oil, M/s Aga Khan University Hospital, M/s Saita Pakistan Pvt. Ltd, M/s Agha Steel Pvt Ltd, M/s China Harbour Pvt. Ltd, M/s EA Consulting Pvt. Ltd, M/s Soilmat Engineers Pvt. Ltd, M/s Sui Southern Gas Company Ltd, M/s Lucky Cement Pvt. Ltd, M/s Ahmed & Ahmed Engineering Contracts Advisors & Advocates Pvt. Ltd, M/s Aurtel Consulting Group Pvt. Ltd, M/s Ahed Associates Pvt. Ltd, M/s AAA Partnership Pvt. Ltd, M/s Techno Legal Consultants Pvt. Ltd, M/s Arabtec Pvt. Ltd.

INVESTMENT

Industry Participant Rs. 6,000
 Postgraduate Student Rs. 4,000
 Faculty Rs. 3,000
 Undergraduate Student Rs. 2,000

CEMG Membership and PMI-KPC Membership discounts available at 10% each.

TESTIMONIALS

“Sharing of professional experience and interacting effectively with the audience were the standout points for me in this workshop”

“A very influential seminar for the industrialists present here. Even after 30 year of experience, this seminar has taught me a lot. Moreover, it provides a platform to all of us to gather, interact and think on a single vision that is to achieve quality in our work”
